Nothing's gonna change my love for you by Gleen Medeiros

If I had to live my life without you near me	You ought to know by now how much I love you
The days would all be empty	The world may (5) my (6)
The nights would seem so long	(7) through
With you I see forever oh so clearly	But nothing's gonna change my love for you
I might have been in love before	If the (8) ahead is not so easy
But it never felt this strong	Our love (9) lead a way for us
Our dreams are young and we both know	Like a guiding star
They'll take us where we want to go	I'll be there for you if you should need me
Hold me now, touch me now	You don't have to change a thing
I don't want to live without you	I love you just the way you are
CHORUS:	So (10) with me and share the view
Nothing's (1) my	I'll help you see forever too
(3) for you	Hold me now, touch me now
You ought to know by now how much I (4) you	I don't want to live without you
One thing you can be sure of	
I'll never ask for more than your love	
Nothing's gonna change my love for you
