Forgive Me by Evanescence

Fill in the gaps

Can you forgive me again
I don't (1) what I said
But I didn't mean to hurt you
I heard the words come out
I (2) that I would die
It hurt so much to hurt you
Then you (3) at me
You're not shouting anymore
You're silently broken
I'd give anything now
To hear those words (4) you
Each (5) I say something I regret
I cry, I don't want to lose you
r cry, r doirt want to lose you
But somehow I know that you (6) (7) leave me
But somehow I know that you (6) (7) leave me
But somehow I know that you (6) (7) leave me Cause you were made for me
But somehow I know that you (6) (7) leave me Cause you were made for me Somehow I'll make you see
But somehow I know that you (6) (7) leave me Cause you were made for me Somehow I'll make you see How (8) you make me
But somehow I know that you (6) (7) leave me Cause you were made for me Somehow I'll make you see How (8) you make me I can't live this life
But somehow I know that you (6) (7) leave me Cause you were made for me Somehow I'll make you see How (8) you make me I can't live this life Without you by my side
But somehow I know that you (6) (7) leave me Cause you were made for me Somehow I'll make you see How (8) you make me I can't live this life Without you by my side I need you to survive
But somehow I know that you (6) (7) leave me Cause you were made for me Somehow I'll make you see How (8) you make me I can't live this life Without you by my side I need you to survive So stay with me
But somehow I know that you (6) (7) leave me Cause you were made for me Somehow I'll make you see How (8) you make me I can't live this life Without you by my side I need you to survive So stay with me You look in my eyes and I'm screaming inside

And I never meant to hurt you
