Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together

Like when you said you felt so happy you could die

Told myself that you were right for me

But (1)_____ so lonely in your company

But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness

Like (2)_____ to the end, always the end

So, when we found that we could not make sense

Well, you said that we would still be friends

But I'll admit (3)_____ I was (4)_____ that it was over

But you didn't have to cut me off

Make out like it never happened and that we were nothing

And I don't even (5)_____ your love

But you (6)_____ me (7)_____ a stranger and that feels so rough

No, you didn't have to stoop so low

Have (8)_____ friends collect your records and then (9)_____ your number

I guess that I don't need, that though

Now you're just (10)_____ (11)_____ I (12)_____ to know

Now you're just somebody that I used to know

Now you're just (13)_____ that I used to know

Now and then I think of all the times you (14)_____ me over

But had me believing it was always something that I'd done

But I don't wanna live (15)_____ way, reading (16)_____ every word you say

You (17)_____ that you could let it go

And I wouldn't catch you (18)_____ up on somebody (19)_____ you (20)_____ to know

But you didn't have to cut me off

Make out like it never happened and that we were nothing

And I don't even need (21)_____ love

But you treat me like a (22)_____ and (23)_____ feels so rough

No, you didn't have to stoop so low

Have your (24)_____ collect your records and then (25)_____ your number

I guess that I don't need, that though

Now you're just somebody that I used to know

Somebody, I used to know

Somebody, now you're just somebody that I used to know

Somebody, I used to know

Somebody, now you're just somebody that I used to know

I used to know

That I used to know

I (26)_____ to know

Somebody

Answer

1. felt
2. resignation
3. that
4. glad
5. need
6. treat
7. like
8. your
