

Inhale by Stone Sour

Come one and all and see the broken man,
Talking to himself
He sits and (1)_____ for something better,
He'll (2)_____ (3)_____ it here
The people (4)_____ his hair
And pinch his cheek, he can't even (5)_____ it
There it goes again, he's listening to someone
He hears the bitter laughter
And all he wants to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale (6)_____ makes the exhale
so much better
He wipes his hands on (7)_____ in reach,
He never feels clean
He shakes at (8)_____ because his nerve is gone,
Every muscle hurts
Come one and all and see what happened,

Fill in the gaps

That broken man is me
There it goes again, I can hear it louder
It doesn't feel good anymore
All I want to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale that makes the exhale so
(9)_____ better
Now I know I disappear
I can't find my way from out of here
Everything is fading on me
Someone tell me
Someone tell me
Someone tell me
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale (10)_____ makes the exhale
so much better
Why? You've gotta try
