

The Night by Disturbed

What has come over me
What madness taken hold of my heart
To run away, the only answer
Pulling me away
To fall upon the night
The source of my recovery
Sweet shadow taking hold of the light
Another day has been devoured
Calling me away, (1)_____ the question
Why
For saving me from all they've taken
Letting my armor (2)_____ again
Giving me the strength to face them
Feeling it taking over now
On a path to take it all away
There can be no better way of knowing
In a world beyond controlling
Are you going to deny the savior
In front of your eyes
Stare into the night
Power beyond containing
Are you going to remain a slave for
The rest of your life
Give into the night
This self discovery
Redemption taking hold of my mind
A (3)_____ of haunting voices
Calling me away
To feast upon the night
So much felicity
Dark maiden taking hold of my hand
Lead me (4)_____ from hibernation
