

## Always by Bon Jovi

### Fill in the gaps

This romeo is bleeding  
But you cant see his blood  
Its nothing but some feelings  
That (1)\_\_\_\_\_ old dog kicked up  
Its been raining since you left me  
Now Im drowning in the flood  
You see Ive (2)\_\_\_\_\_ been a fighter  
But without you I give up  
Now I cant sing a love song  
Like the way its meant to be  
Well, I guess Im not that good anymore  
But baby, thats just me  
And I will love you, (3)\_\_\_\_\_ - always  
And Ill be there forever and a day - always  
Ill be there till the stars dont shine  
Till the (4)\_\_\_\_\_ burst and  
The words dont rhyme  
And I know when I die, youll be on my mind  
And Ill love you - always  
Now your pictures that you left behind  
Are just memories of a different life  
Some that made us laugh, some that made us cry  
One that made you have to say goodbye  
What Id give to run my fingers (5)\_\_\_\_\_ your hair  
To (6)\_\_\_\_\_ your lips, to hold you near  
When you say (7)\_\_\_\_\_ prayers try to understand  
Ive made mistakes, Im just a man

When he holds you close, when he pulls you near  
When he (8)\_\_\_\_\_ the words youve been needing to  
hear  
Ill wish I was him cause those words are mine  
To say to you till the end of time  
Yeah, I will love you baby - always  
And Ill be there forever and a day - always  
If you told me to cry for you  
I could  
If you told me to die for you  
I would  
Take a look at my face  
Theres no price I wont pay  
To say these words to you  
Well, there aint no luck  
In these loaded dice  
But baby if you give me just one more try  
We can pack up our old dreams  
And our old lives  
Well find a place where the sun still shines  
And I will love you, baby - always  
And Ill be there (9)\_\_\_\_\_ and a day - always  
Ill be there till the stars dont shine  
Till the heavens burst and  
The words dont rhyme  
And I know when I die, youll be on my mind  
And Ill love you - always

Answer

1. this
2. always
3. baby
4. heavens
5. through
6. touch
7. your
8. says
9. forever
