So Far Away by Dire Straits

Fill in the gaps

Here I am again in this mean old town
And you're so far away (1) me
And (2) are you when the sun go down
You're so far away from me
So far away from me
So far I just can't see
So far away from me
You're so far away (3) me
I'm (4) of being in love and being all alone
When you're so far away from me
I'm tired of making out on the telephone
When you're so far away from me
So far away from me
So far I just can't see
So far (5) from me
So far (5) from me You're so far away from me
You're so far away from me
You're so far away from me And I get so (6) when I (7) to explain
You're so far away from me And I get so (6) when I (7) to explain When you're so far away from me
You're so far away from me And I get so (6) when I (7) to explain When you're so far away from me See you've been in the sun and I've been in the rain
You're so far away from me And I get so (6) when I (7) to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (8) from me
You're so far away from me And I get so (6) when I (7) to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (8) from me So far away from me
You're so far away from me And I get so (6) when I (7) to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (8) from me So far away from me So far I just can't see
You're so far away from me And I get so (6) when I (7) to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (8) from me So far away from me So far I just can't see So far away from me
You're so far away from me And I get so (6) when I (7) to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (8) from me So far away from me So far I just can't see So far away from me You're so far away from me
You're so far away from me And I get so (6) when I (7) to explain When you're so far away from me See you've been in the sun and I've been in the rain And you're so far (8) from me So far away from me So far I just can't see So far away from me You're so far away from me So far away from me

- 1. from
- 2. where
- 3. from
