

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the (1)_____ that I will love you till I die
We are twelve billion (2)_____ years (3)_____
the edge
That's a guess
No one can (4)_____ say it's true
But I know that I will always be with you
I'm warmed by the (5)_____ of your love everyday
So don't call me a liar
Just believe (6)_____ that I say
There are six billion people in the world
More or less
And it makes me (7)_____ quite small
But you're the one I love the (8)_____ of all

We're high on the wire
With the (9)_____ in our sight
And I'll never tire
Of the love that you give me every night
There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
And there are nine million bicycles in Beijing
And you know that I will love you till I die
