

Candles by Daughter

Fill in the gaps

That boy, take me away, (1)_____ the night
Out of the hum of the street (2)_____ and into a forest
I'll do whatever you say to me in the dark
Scared I'll be torn apart by a wolf in mask of a familiar
(3)_____ on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn from the times we are cursed
Things cannot be reversed, learn from the ones we
(4)_____ the worst
And learn from the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're
(5)_____ in silence
Wide-eyed, both in silence
Wide-eyed
Cause we (6)_____ (7)_____ I'll never be your lover
I only (8)_____ the heat
Company under cover
Filling space in (9)_____ sheets
Well I'll never be a lover
I only (10)_____ the heat
Company under cover
Filling space in your sheets, in your sheets
So, please just blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young heart confusing my mind, but we're both in silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene.

Answer

1. into
2. lights
3. name
4. fear
5. both
6. both
7. know
8. bring
9. your
10. bring
