

Fill in the gaps

Evil by Interpol

Rosemary, heaven restores you in life
You're coming with me
Through the aging, the fearing, the strife
It's the smiling on the package
It's the (1)_____ in the sand
It's the thought that moves you upwards
Embracing me (2)_____ two hands
Right will (3)_____ you places
Yeah maybe to the beach
When (4)_____ friends they do come crying
Tell them now your pleasure's set upon (5)_____ release
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?
It took a (6)_____ span (7)_____ no (8)_____
mate
The long way back
Sandy, why can't we look the (9)_____ way?
He speaks about travel
Yeah we think (10)_____ the land
We smart like all peoples
Feeling real tan
I could take you places
Do you need a new man?
Wipe the (11)_____ from the faces
Make revision to a dream (12)_____ you wait in the
van
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?

It took a (13)_____ span with no (14)_____ mate
To find the (15)_____ way back
Sandy, why can't we look the (16)_____ way?
You're weightless, you are exotic
You (17)_____ something for which to care
Sandy, why can't we look the other way?
Leave some shards under the belly
Lay (18)_____ grease inside my hand
It's a sentimental jury
And the makings of a good brand
You've come to love me lightly
Yeah you come to hold me tight
Is this motion (19)_____ lasting
Or just shutters pass (20)_____ the night?
Rosemary, heaven restores you in life
I (21)_____ a (22)_____ span with no
(23)_____ mate
The (24)_____ way back
Sandy, why can't we look the other way?
You're weightless, semi-erotic
You need someone to (25)_____ you there
Sandy, why can't we look the other way?
Why can't we just (26)_____ the other game?
Why can't we (27)_____ look the other way?
