Welcome To My World by Depeche Mode

Welcome to my world
Step right through the door
Leave your tranquilizers at home
You don't need them anymore
All the drama queens are gone
And the devil got this made
He backed up and fled this town
His master plan delayed
And if you stay a while
I'll penetrate your soul
I'll bleed into your dreams
You want to lose control
I weep into your (1) _____

And (4) _____ your broken wings
