

## Fill in the gaps

## Do I Wanna Know? by Arctic Monkeys

Have you got colour in your cheeks?	But we (18) be together if you wanted to
Do you ever get that fear that you can't shift the type	(Do I wanna know?)
(1) sticks around (2) (3)	If this feeling flows both ways
in (4) teeth?	(Sad to see you go)
Are there some aces up your sleeve?	Was sorta hoping that you'd stay
Have you no idea that you're in deep?	(Baby we (19) know)
I've dreamt about you nearly every night this (5)	That the (20) were mainly (21) for
How many secrets can you keep?	saying things (22) you can't say tomorrow day
Cause there's this tune I found (6) makes me	Crawling back to you
(7) of you (8) and I play it on	Ever thought of calling (23) you've had a few?
repeat	(calling when you've had a few)
Until I fall (9)	'Cause I always do ('cause I always do)
Spilling drinks on my settee	Maybe I'm too busy being yours to fall for somebody new
(Do I wanna know?)	Now I've thought it through
If this feeling flows both ways	Crawling back to you
(Sad to see you go)	(Do I wanna know?)
Was (10) hoping that you'd stay	If this feeling flows both (24)
(Baby we both know)	(Sad to see you go)
That the nights were (11) made for saying	Was sorta (25) that you'd (26)
things that you can't say tomorrow day	(Baby we both know)
Crawling back to you	That the nights were (27) made for saying
Ever thought of calling when you've had a few?	things that you can't say tomorrow day
Cause I always do	(Do I wanna know?)
Maybe I'm too busy (12) yours to fall for	Too busy being yours to fall
somebody new	(Sad to see you go)
Now I've thought it through	Ever thought of calling darling?
Crawling (13) to you	(Do I wanna know)
So have you got the guts?	Do you (28) me crawling back to you?
Been wondering if your heart's still open and if so I wanna	
know what (14) it shuts	
Simmer down and pucker up	
I'm (15) to (16) it's just	
I'm constantly on the cusp of trying to kiss you	
I don't know if you (17) the same as I do
