

Fill in the gaps

Kiss Me Slowly by Parachute

Stay with me, baby stay with me
Tonight don't leave me alone
Walk with me, come and walk with me
To the edge of all we've ever known
I can see you there with the city lights
Fourteenth floor, pale blue eyes
I can (1)_____ you in
Two shadows standing by the bedroom door
No, I could not want you (2)_____ than I did right then
As our heads leaned in
Well, I'm not sure (3)_____ this is gonna be
But with my eyes closed all I see
Is the skyline, through the window
The moon above you and the streets below
Hold my breath as you're moving in
Taste your lips and feel your skin
When the time comes
Baby don't run, just kiss me slowly
Stay with me, baby stay with me
Tonight don't leave me alone
She shows me everything she used to know
Picture frames and country roads
When the days were (4)_____ and the (5)_____ was small
She (6)_____ by as it (7)_____ apart
Separate rooms and broken hearts
But I won't be the one to let you go
(Oh oh)
I'm not sure what this is gonna be
But with my eyes closed all I see
Is the skyline, through the window
The moon above you and the streets below

Hold my breath as you're moving in
Taste your lips and feel your skin
When the time comes
Baby don't run, just kiss me slowly
Don't run away...
And it's hard to love again
When the only way it's been
When the only love you know
Just walked away...
If it's something (8)_____ you want
Darling you don't have to run
You don't have to go...
Just stay with me, baby stay with me
Well, I'm not sure what this is gonna be
But with my eyes closed all I see
Is the skyline, through the window
The moon above you and the streets below
Hold my breath as you're moving in
Taste (9)_____ lips and feel your skin
When the time comes
Baby don't run, just (10)_____ me slowly
I'm not sure where this is gonna go
But in this moment all I know
Is the skyline, through the window
The moon above you and the streets below
Hold my breath as you're moving in
Taste your lips and feel your skin
When the time comes, baby don't run
Just kiss me slowly

Answer

1. breathe
2. more
3. what
