My feet won't stop	But when the sun comes up it won't be long
can't keep still	I need some loving like Valium
Be rocking this until the sunlight	I need some loving like
That beat's so sick	I-I-I'm alive
That tune's so ill	I need some loving like
Seems they know just how to move me right	I-I-I'm alive
He looks my way	I need some loving like
Non't (1) my time	I-I-I'm alive
ooking in all the wrong places	I need some loving like
Non't let history repeat	I-I-I'm alive
n parallel lines	I need some loving like
A sucker for those pretty faces	Close my eyes, numb my pain
(Ooh) I need somebody to calm me down	Feel my worries melt away
A little loving like Valium	Lay me down, treat me kind
need (2) to (3) me out	Take the stresses off my mind
need some loving like	Kiss my neck, feel my touch
(Ooh) I don't know what I'm running from	Let nothing in the way of us
But (4) the sun comes up it won't be long	Keep me here, (8) me calm
need some loving like Valium	In my dreams, in your arms
need some loving like	(Ooh) I need somebody to calm me down
t's five AM	A little loving like Valium
All on my own	I need somebody to knock me out
just need someone to talk with me	I need some loving like
lost my friends	(Ooh) I don't know what I'm running from
check my phone	But when the sun (9) up it won't be long
Still searching for someone to walk (5) me	I need some loving like Valium
My deep wounds rise	I need some loving like
They take their place	I-I-I'm alive
All of a sudden this don't feel right	I need some loving like
wish I had	I-I-I'm alive
A pure embrace	I need some loving like
To keep me warm (6) the sunrise	I-I-I'm alive
(Ooh) I need somebody to calm me down	I need some loving like
A (7) loving like Valium	I-I-I'm alive
need somebody to knock me out	I (10) some loving like
need some loving like	
(Ooh) I don't know what I'm running from
