

Fill in the gaps

Really Don't Care (Live) by Demi Lovato

...

You wanna stay, you wanna play
You wanna have it all
You started messing with my head
Until I hit a wall
Maybe I should've known
Maybe I should've known
That you would walk
You would walk out the door (hey)
Said we were done
And met someone and (1)_____ it in my face
Cut to the part she broke your heart
And (2)_____ she ran away
I guess you shoulda known
I guess you shoulda known
That I would talk, I would talk
But even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
But even if the stars and moon collide
I never want you back into my life
You can take your words and all (3)_____ lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really don't care
I can't believe
I ever stayed up writing (4)_____ about you
You don't deserve to know
The way I used to think about you
(Oh) no, not anymore
(Oh) no, not anymore
You had your shot
Had your shot
But you (let go)

Now if we meet out on the street
I won't be running scared
I'll walk right up to you
And put one finger in the air
And make you understand
And (5)_____ you understand
You had your chance, had your chance
But even if the stars and moon collide
I never want you back into my life
You can take (6)_____ words and all your lies
(Oh, oh, oh)
I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really don't care
Hey, hey (7)_____ (8)_____ back
Dumbstruck boy, ego intact
Look boy, why you so mad
Second guess him, but (9)_____ hit that...
But even if the stars and moon collide
I never want you back into my life
You can take your words and all (10)_____ lies
(Oh, oh, oh)
I really don't care
Even if the stars and moon collide
I never want you back into my life
You can take your words and all your lies
(Oh, oh, oh)
I really don't care
(Oh, oh, oh)
I really don't care
