Black Treacle by Arctic Monkeys

Lately I've been seeing things
Belly button piercings
In the sky at night
When we're side by side
And I don't mean to rain
On anybody's cabriolet
One of those games you're going to lose
But you want to play it just in case
Now it's getting dark and the sky looks sticky
More like black treacle than tar
Black treacle
Somebody told the stars
You're not (1)_____ out tonight
And so they found a place to hide
Does it (2)_____ you stay up late?
Does it help you concentrate?
Does it tune you in when you chew your chin?
Am I ruining your fun?
And you talk the talk alright
But do you walk the (3)_____ or catch the train?
You wanted it, you got it

But you don't (4)_____ it now
Now it's getting dark and the sky looks sticky
More like black treacle than tar
Black treacle
Somebody told the stars
You're not (5)_____ out tonight
And so (6)_____ found a place to hide
And now I'm out of place
And I'm not getting any wiser
I feel like the sundance kid
Behind a synthesizer
And I (7)_____ last night to pack away a laugh
Like a key under the mat
But it (8)_____ seems to be there
When you want it
Black treacle
Black treacle
Black treacle
