

Fill in the gaps

Love The Way You Lie by Eminem

Just gonna stand there

And watch me burn

But that's alright

Because I like

The way it hurts

Just gonna stand there

And hear me cry

But that's alright

Because I love

The way you lie

I love the way you lie

I love the way you lie

I can't tell you what it really is

I can only tell you what it feels like

And (1)_____ now there's a steel knife

In my windpipe

I can't breathe

But I (2)_____ fight

While I can fight

As long as the wrong feels right

It's like I'm in flight

High of a love

Drunk from the hate

It's like I'm (3)_____ paint

And I love it the (4)_____ that I suffer

I suffocate

And right (5)_____ im (6)_____ to drown

She resuscitates me

She fucking hates me

Fill in the gaps

And I (7)_____ it

Wait

Where you going

I'm leaving you

No you ain't

Come back

We're running right back

Here we go again

It's so insane

Cause when it's going good

It's going great

I'm Superman

With the wind in his bag

She's Lois Lane

But when it's bad

It's awful

I feel so ashamed

I snap

Who's that dude

I don't even know his name

I laid (8)_____ on her

I'll never stoop so low again

I (9)_____ I don't (10)_____ my own strength

Just gonna stand there

And watch me burn

But that's alright

Because I like

The way it hurts

Just gonna stand there

And hear me cry

Fill in the gaps

But that's alright

Because I love

The way you lie

I love the way you lie

I (11)_____ the way you lie

You ever love somebody so much

You can (12)_____ breathe

When you're with them

You meet

And neither one of you

Even know what hit 'em

Got that warm fuzzy feeling

Yeah them chills

Used to get 'em

Now you're getting (13)_____ sick

Of looking at 'em

You swore you've never hit 'em

Never do nothing to hurt 'em

Now you're in each other's face

Spewing venom

And these words

When you spit 'em

You push

Pull each other's hair

Scratch, claw, bit 'em

Throw 'em down

Pin 'em

So lost in the moments

When you're in 'em

It's the rage that took over

Fill in the gaps

It controls you both

So they say it's best

To go your separate ways

Guess that they don't know ya

Cause today

That was yesterday

Yesterday is over

It's a different day

Sound like broken records

Playin' over

But you promised her

Next time you'll show restraint

You don't get (14)_____ chance

Life is no Nintendo game

But you lied again

Now you get to (15)_____ her leave

Out the window

Guess that's why they call it window pane

Just gonna stand there

And (16)_____ me burn

But that's alright

Because I like

The way it hurts

Just gonna stand there

And hear me cry

But that's alright

Because I love

The way you lie

I love the way you lie

I (17)_____ the way you lie

Fill in the gaps

Now I know we said things

Did things

That we didn't mean

And we fall back

Into the same patterns

Same routine

But your temper's just as bad

As (18)_____ is

You're the same as me

But when it comes to love

You're just as blinded

Baby please come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

When a tornado meets a volcano

All I know is

I love you too much

To walk (19)_____ though

Come inside

Pick up your bags off the sidewalk

Don't you hear sincerity

In my voice when I talk

Told you this is my fault

Look me in the eyeball

Next time I'm pissed

I'll aim my fist

At the dry wall

Fill in the gaps

Next time

There will be no (20)_____ time

I apologize

Even though I know it's lies

I'm tired of the games

I (21)_____ want her back

I know I'm a liar

If she ever tries to fucking (22)_____ again

I'mma tie her to the bed

And set the house on fire

Just gonna stand there

And watch me burn

But that's alright

Because I like

The way it hurts

Just (23)_____ stand there

And (24)_____ me cry

But that's alright

Because I love

The way you lie

I love the way you lie

I love the way you lie

Answer

1. right
2. still
3. huffing
4. more
5. before
