SUB inglés

It's just I'm constantly on the cusp

Fill in the gaps

Do I Wanna Know by Arctic Monkeys

Have you got colour in your cheeks	Of trying to (15) you
Do you ever get that fear (1) you can't	But I don't know if you
Shift the tide that (2) around like	Feel the same as I do
(Summat) in your teeth	But we could be together
Are there some aces up (3) sleeve	If you (16) to
Have you no (4) that you're in deep	(Do I (17) know)
I dreamt about you nearly	If this feeling flows both ways
Every night this week	(Sad to see you go)
How many secrets can you keep	Was sort of hoping that you'd stay
Cause there's this tune I've found	(Baby, we both know)
That makes me (5) of you somehow	That the nights (18) mainly made
And I play it on repeat	For saying things that you can't say tomorrow day
Until I fall asleep	Crawling (19) to you (crawling back to you)
Spilling drinks on my settee	Ever thought of (20) when
(Do I (6) know)	You've had a few (you've had a few)
If (7) (8) flows both ways	'Cause I always do ('cause I always do)
(Sad to see you go)	Maybe I'm too (maybe I'm too busy)
Sort of (9) that you'd stay	Busy being yours to fall for (21) new
(Baby, we both know)	Now I've thought it through
That the (10) were mainly made	Crawling back to you (do I wanna know)
For saying things that you can't say tomorrow day	If this feeling flows both ways
Crawling back to you	(Sad to see you go)
Ever thought of calling when	Was sort of hoping that you'd stay
You've had a few	(Baby, we (22) know)
Cause I always do	That the nights were (23) made
Maybe I'm too	For saying things (24) you can't say tomorrow day
Busy being yours to fall for (11) new	(Do I wanna know)
Now I've (12) it through	Too busy being yours to fall
Crawling back to you	(Sad to see you go)
So have you got the guts	Ever thought of calling, darling
Been wondering if (13) heart's still open	(Do I wanna know)
And if so I wanna know what time it shuts	Do you want me (25) (26) t
Simmer down and pucker up	you
Una (4.4) to intermed
