Nymphetamine by Cradle Of Filth

Led to the river
Midsummer, I wave
A 'V' of black swans
On with hope to the grave
And through red September
When skies fire-paved
I begged you appear like
A thorn for the holy ones
Cold was my soul
Untold was the pain
I faced, when you left me
A rose in the rain
So I swore to the razor
That never, enchained
Would your dark nails of faith
Be pushed through my veins again
Bared on your tomb
I am a prayer for your loneliness
And would you ever soon
Come (1)_____ unto me?
For once upon a time
From the binds of your loneliness
I could always find
The (2)_____ slot for your sacred key
Six feet deep is the incision
In my (3)_____ that (4)_____ prison
Discolors all (5)_____ tunnel vision
Sunsetter, nymphetamine
Sick and weak from my condition
This lust, this vampiric addiction
To her alone in full submission
None better, nymphetamine
Nymphetamine, nymphetamine
Nymphetamine girl
Nymphetamine, nymphetamine
My nymphetamine girl
(Wracked with your charm, I'm circled like prey)

(Back in the forest where whispers persuade)
(More sugar trails, more white lady laid)
(Than (6)_____ of salt)
Fall to my arms
Hold their mesmeric sway
And dance out to the moon
As we did in those golden days
Christening stars
I remember the way
We were needle and spoon
Misaid in the burning hay
Bared on (7)_____ tomb
I am a prayer for your loneliness
And would you ever swoon
Come above unto me?
For once upon a time
From the (8)_____ of (9)_____ holiness
I could always find
The right slot for your sacred key
Six feet deep is the incision
In my heart that barless prison
Discolors all with (10)_____ vision
Sunsetter, nymphetamine
Sick and weak from my condition
This lust, this vampiric addiction
To her alone in full submission
(None better) nymphetamine...
(Sunsetter) nymphetamine
...
(None better) nymphetamine
Nymphetamine, nymphetamine
Nymphetamine girl
Nymphetamine, nymphetamine
My nymphetamine gir
