

Fill in the gaps

Round & Round by Selena Gomez & The Scene

Round and round

Round and round

Round and round

You see me standing there

And act like you dont know me

But last night you were calling me

Saying you want me

(Oh) why you always make me feel

Like I'm the one that's crazy

You got my heart racing

My-my heart racing

Boy, I (1)_____ you here with me

We can't go on this way

I'm falling hard for you

All I can say

We're going round and round

We're never gonna stop

Going round and round

We'll (2)_____ get where

We're going round and round

Well you're gonna miss me

'Cause I'm getting dizzy

Going round and round and round

You tried to pull me close

And whisper in my ear

You always told me lies

I've cried out all my tears

I pushed my feelings to the side

But then you (3)_____ them back

B-bring (4)_____ back

Now you got me singing

Boy, I need you here with me

We can't go on this way

I'm falling hard for you

All I can say

We're going round and round

We're never (5)_____ stop

Going (6)_____ and round

We'll never get where

We're going round and round

Well you're gonna miss me

'Cause I'm getting dizzy

Going round and (7)_____ and round

Love me or Love me not

I'm starring at the clock

I take them flower petals off

And then I watch them drop

Love me or love me not

I'm starring at the clock

I take them flower petals off

And then I watch them drop

Boy, I (8)_____ you here with me

I can't go on this way

I'm falling hard for you

All I can say

Round and round

We're never gonna stop

Going (9)_____ and round

We'll never get where

We're (10)_____ round and round

Well you're gonna miss me

'Cause I'm getting dizzy

Going round and round and round and round

We're never gonna stop

Going round and round

We'll never get where

We're going round and round

Well you're gonna miss me

'Cause I'm getting dizzy

Going round and round and round

(Whoa Whoa Whoa)

Answer

1. need
2. never
