Fill in the gaps

I can't believe it's over
I watched the (1)_____ thing fall
And I never saw the (2)_____ that was on the
wall
If I'd only knew
The (3)_____ were slipping past
That the (4)_____ things never last
That you were crying
...
Summer turned to winter
And the snow it (5)_____ to rain
And the rain turned into tears upon your face
I hardly recognized
The (6)_____ you are today
And god I hope it's not too late
...
It's not too late
'Cause you are not alone
I'm always (7)_____ with you
And we'll get lost together
Till the light comes pouring through
'Cause when you feel like you're done
And the darkness has won
Babe, you're not lost...
When (8)_____ worlds crashing down
And you can't bear the thought
I said, babe, you're not lost

Life can show no mercy
It can tear your soul apart
It can make you feel like you've gone crazy
But you're not
Things have seem to changed
There's one thing that's still the same
In my heart you have remained
And we can fly fly fly away
'Cause you are not alone
And I am there with you
And we'll get lost together
Till the light comes pouring through
'Cause when you feel like you're done
And the (9)_____ has won
Babe, you're not lost
When the worlds crashing down
And you can not bear to crawl
I said, baby, you're not lost
...
I said, baby, you're not lost
I said, baby, you're not lost
...
I said, baby, you're not lost
