### Up Where We Belong by Joe Cocker & Jennifer Warnes

|                                      |                                     |
|--------------------------------------|-------------------------------------|
| Who                                  | Live their lives                    |
| Knows what tomorrow brings           | Looking behind                      |
| In a world                           | All we have                         |
| Few hearts survive                   | Is here and now                     |
| All I know                           | All our life                        |
| Is the way I feel                    | Out there to find                   |
| When it's real                       | The road                            |
| I keep it alive                      | Is long                             |
| The road                             | There are mountains                 |
| Is long                              | In our way                          |
| There are mountains                  | But we climb a step                 |
| In our way                           | Every day                           |
| But we climb a (1)_____ (2)_____ day | Love lift us up where we belong     |
| Love lift us up where we belong      | Where the eagles cry                |
