

Fill in the gaps

11th Dimension by Julian Casablancas

I'll just nod, I've never been so good at shaking hands
I live on the frozen surface of a fireball
Where cities come together
To (1)_____ each other in the name of sport
America, nothing is ever just anything
I looked up to you
But you thought I would look the other way
And you hear what you want to hear
And they take what they want to take
Don't be sad, won't ever (2)_____ like this anymore
So when's it coming
This last new (3)_____ (4)_____ that I
can join?
It won't end here
Your faith has got to be greater than (5)_____ fear
Forgive them, even if they are not sorry
All the vultures, bootleggers at the door waiting
You are looking for your own voice but in others

While it hears you, (6)_____ in another dimension
Drop your guard, you don't have to be smart all of the time
I've got a mind full of blanks
I need to go somewhere new fast
And don't be shy, (oh) no, at (7)_____ deliberately
Cause no one really cares or wonders why anymore (oh)
I got music, coming out of my hands and feet and kisses (oh)
That is how it once was done
All the dreamers on the run
Forgive them, even if (8)_____ are not sorry
All the vultures, bootleggers at the (9)_____ waiting
We're so quick to point out our own flaws in others
Complicated mammals on the wings of robots
If you believe in this world then no one has died in vain
But don't you dare get to the top and not know what to do

Answer

1. hate
2. happen
3. great
4. movement
5. your
6. trapped
7. least
8. they
9. door
