

Foundations by Kate Nash

Thursday night, everything's fine
Except you've got that look in your eye
When I'm telling a story, and you find it boring
You're thinking of something to say
You'll go along with it, then drop it
And humiliate me in front of our friends
Then I'll use that voice that you find annoying
And say something like,
"Yeah, intelligent input, darling.
Why don't you just have another beer then?"
Then you'll (1)_____ me a bitch
And everyone we're with will be embarrassed
And I won't give a shit
My fingertips are (2)_____ onto
The (3)_____ in our foundation
And I (4)_____ that I should let go, but I can't
And every time we fight I (5)_____ it's not right
Every time (6)_____ you're upset and I smile
I know I should forget, but I can't
You said I must eat so many lemons
'Cause I am so bitter
I said, "I'd rather be with your friends, mate,
'Cause they are much fitter."
Yes, it was childish
And you got aggressive
And I must admit that I was a bit scared
But it gives me thrills to wind you up
My fingertips are holding onto
The cracks in our foundation

Fill in the gaps

And I know (7)_____ I should let go, but I can't
And every time we fight I know it's not right
Every time that you're upset and I smile
I know I should forget, but I can't
Your face is pastey
'Cause you've gone and got so wasted
What a surprise
Don't want to look at your face, 'cause it's making me sick
You've gone and got sick on my trainers
I (8)_____ got these yesterday
Oh my gosh, I cannot be bothered with this
Well, I'll leave you there 'till the morning
And I (9)_____ won't turn the heating on
And dear God, I hope I'm not stuck with this one
My fingertips are holding onto
The cracks in our foundation
And I know (10)_____ I should let go, but I can't
And every time we fight I know it's not right
Every time that you're upset and I smile
I know I should forget, but I can't
And every time we fight I know it's not right
Every time that you're upset and I smile
I know I should forget, but I can't
And every time we fight I know it's not right
Every time that you're upset and I smile
I know I should forget, but I can't

Answer
