### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, (1)\_\_\_\_\_ in the (2)\_\_\_\_\_ light

See in the (3)\_\_\_\_\_ of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's (4)\_\_\_\_\_ that (5)\_\_\_\_\_ you numb

You feel what it does and you're drunk on love

You're (6)\_\_\_\_\_ in the fire

I gaze at the (7)\_\_\_\_\_ and fire burn

And cry out the (8)\_\_\_\_\_ of (9)\_\_\_\_\_ I yearn

[Chorus]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire
