

## Fill in the gaps

God (1) us everyone	No!
We're a broken (2) (3) under	And when I close my (20) tonight
loaded gun	To (21) of (22)
And it can't be outfought	light
It can't be outdone	God save us everyone
It can't outmatched	Will we burn inside the fires of a thousand suns?
It can't be outrun, no!	Oh!
God bless us everyone	Like memories in cold decay
We're a broken people (4) under	Transmissions echoing away
(5) gun	Far from the world of you and I
And it can't be outfought	Where oceans (23) into the sky
It can't be outdone	Like (24) in cold decay
It can't outmatched	Transmissions echoing away
It can't be outrun	Far (25) the (26) of you and I
No!	Where oceans bleed into the sky
And when I (6) my (7) tonight	Lift me up
To symphonies of (8) light	Let me go
God bless us everyone	Lift me up
We're a (9) (10)	Let me go
(11) under loaded gun	Lift me up
Oh!	Let me go
Like memories in (12) decay	Lift me up
Transmissions echoing away	Let me go
Far from the world of you and I	Lift me up
Where (13) bleed into the sky	Let me go
God save us everyone	Lift me up
Will we (14) (15) the	
(16) of a thousand suns?	God bless us everyone
For the sins of our hand	We're a broken people living under loaded gun
The sins of our tongue	And it can't be outfought
The sins of our father	It can't be outdone
The sins of our young	It can't outmatched
No!	It can't be outrun
God save us everyone	
Will we burn inside the (17) of a thousand suns?	
For the sins of our hand	
The (18) of our tongue	
The sins of our father	
The (19) of our young
