

Fill in the gaps

God bless us everyone	No!
We're a (1) people living under loaded gun	And when I close my eyes tonight
And it can't be outfought	To symphonies of blinding light
It can't be outdone	God (19) us everyone
It can't outmatched	Will we burn inside the fires of a thousand suns?
It can't be outrun, no!	Oh!
God (2) us everyone	Like memories in (20) decay
We're a broken people living (3)	Transmissions (21) away
(4) gun	Far from the world of you and I
And it can't be outfought	Where (22) (23) (24)
It can't be outdone	the sky
It can't outmatched	Like memories in cold decay
It can't be outrun	Transmissions echoing away
No!	Far from the world of you and I
And when I (5) my (6) tonight	Where (25) bleed into the sky
To symphonies of blinding light	Lift me up
God (7) us everyone	Let me go
We're a broken (8) living (9)	Lift me up
loaded gun	Let me go
Oh!	Lift me up
Like memories in (10) decay	Let me go
Transmissions echoing away	Lift me up
Far from the world of you and I	Let me go
Where oceans bleed (11) the sky	Lift me up
God save us everyone	Let me go
Will we burn inside the fires of a thousand suns?	Lift me up
For the (12) of our hand	
The sins of our tongue	God (26) us everyone
The sins of our father	We're a broken people living under (27) gun
The sins of our young	And it can't be outfought
No!	It can't be outdone
God (13) us everyone	It can't outmatched
Will we burn (14) the (15) of a	It can't be outrun
thousand suns?	
For the (16) of our hand	
The sins of our tongue	
The (17) of our father	
The (18) of our young
