

## Fill in the gaps

God bless us everyone	No!
We're a broken people living under (1) gun	And (16) I (17) my eyes tonight
And it can't be outfought	To (18) of (19)
It can't be outdone	light
It can't outmatched	God (20) us everyone
It can't be outrun, no!	Will we burn inside the fires of a (21)
God bless us everyone	suns?
We're a broken people living (2) loaded gun	Oh!
And it can't be outfought	Like memories in cold decay
It can't be outdone	Transmissions echoing away
It can't outmatched	Far from the (22) of you and I
It can't be outrun	Where oceans bleed into the sky
No!	Like memories in cold decay
And when I close my eyes tonight	Transmissions echoing away
To symphonies of (3) light	Far (23) the world of you and I
God bless us everyone	Where oceans bleed into the sky
We're a broken (4) living under	Lift me up
(5) gun	Let me go
Oh!	Lift me up
Like memories in (6) decay	Let me go
Transmissions echoing away	Lift me up
Far (7) the (8) of you and I	Let me go
Where oceans bleed (9) the sky	Lift me up
God save us everyone	Let me go
Will we (10) inside the (11) of a	Lift me up
thousand suns?	Let me go
For the (12) of our hand	Lift me up
The sins of our tongue	
The sins of our father	God bless us everyone
The (13) of our young	We're a broken people living under loaded gun
No!	And it can't be outfought
God save us everyone	It can't be outdone
Will we burn (14) the fires of a thousand	It can't outmatched
suns?	It can't be outrun
For the sins of our hand	
The sins of our tongue	
The sins of our father	
The (15) of our young
