

## Fill in the gaps

### Neutron Star Collision (Love Is Forever) by Muse

I was searching  
You were on a mission  
Then our hearts (1)\_\_\_\_\_ like  
A (2)\_\_\_\_\_ (3)\_\_\_\_\_ collision  
I have nothing left to lose  
You took (4)\_\_\_\_\_ time to choose  
Then we told each other  
With no trace of fear that...  
Our love would be forever  
And if we die, we die together  
And lie, I said never  
'Cause our love would be forever  
The world is broken  
Halos fail to glisten  
You try to make a difference  
But no one wants to listen  
Hail, the preachers, fake and proud

Their (5)\_\_\_\_\_ will be cloud  
Then they'll dissipate  
Like snowflakes in an ocean  
Love is forever  
And we'll die, we'll die together  
And lie, I say never  
'Cause our love could be forever  
Now I've got nothing left to lose  
You take your (6)\_\_\_\_\_ to choose  
I can tell you now without a (7)\_\_\_\_\_ of fear  
That my love will be forever  
And we'll die, we'll die together  
Lie, I will never  
'Cause our love will be forever

## Fill in the gaps

Answer

1. combined
2. neutron
3. star
4. your
5. doctrines
6. time
7. trace
