

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A neutron star collision
I have (1)_____ left to lose
You took your time to choose
Then we told each other
With no trace of fear that...
Our (2)_____ would be forever
And if we die, we die together
And lie, I said never
'Cause our love would be forever
The (3)_____ is broken
Halos fail to glisten
You try to (4)_____ a difference
But no one (5)_____ to listen
Hail, the preachers, fake and proud

Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our love could be forever
Now I've got nothing left to lose
You take (6)_____ (7)_____ to choose
I can (8)_____ you now (9)_____ a trace of
fear
That my (10)_____ will be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever

Answer

1. nothing
2. love
3. world
4. make
5. wants
6. your
7. time
