Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our (2)_____ combined like

A neutron (3)_____ collision

I have nothing left to lose

You took your time to choose

Then we told (4)_____ other

With no trace of fear that...

Our (5)_____ would be forever

And if we die, we die together

And lie, I said never

'Cause our love would be forever

The world is broken

Halos fail to glisten

You try to (6)_____ a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their doctrines will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love could be forever

Now I've got nothing left to lose

You (7)_____ (8)_____ time to choose

I can tell you now without a trace of fear

That my love will be forever

And we'll die, we'll die together

Lie, I (9)_____ never

'Cause our love will be forever
