

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a cold winter morning, in the time before the light
In (1)_____ of death's eternal reign we ride towards
the fight
And the darkness is falling down
And the times are tough all right
The sound of evil laughter (2)_____ around the world
tonight
Fighting high, fighting on for the steel
Through the (3)_____ evermore
The (4)_____ souls will feel the hell bodies
Wasted on the shores
On the blackest (5)_____ in hells domain
We watch them as (6)_____ go
Through fire, pain and once again we know
So now we fly ever free
We're free before the thunderstorm
On towards the (7)_____ our quest
carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls
So far (8)_____ we wait for the day
For the light source so (9)_____ and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we (10)_____ on
As the red day is dawning
And the lightning (11)_____ the sky
They raise their hands to the heavens above
As we send them to their lies

Running back through the mid-morning light
There's a (12)_____ in my heart
We're banished from the time in the fallen land
To a light (13)_____ the stars
In the blackest dreams we do believe
Our destiny this time
And endlessly we'll all be free tonight
And on the wings of a dream so far beyond reality
All alone in desperation now the time is gone
Lost inside you'll never find Lost within my own mind
Day after day this misery must go on
So far (14)_____ we wait for the day
For the light (15)_____ so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on
Now here we stand with their (16)_____ on our hands
We (17)_____ so hard now can we understand
I'll break the (18)_____ of this curse if I
(19)_____ can
For (20)_____ of every man
So far away we (21)_____ for the day
For the (22)_____ (23)_____ so
(24)_____ and gone
We (25)_____ the pain of a lifetime lost in a thousand
days
Through the fire and the (26)_____ we
(27)_____ on

Fill in the gaps

Answer
