In my mouth
There's still a (2) bit of you laced
With my doubt
It's (3) a little hard to say
What's going on
There's still a little bit of your ghost
Your weakness
There's still a little bit of your face
I haven't kissed
You step a little closer each day
That I can't say what's (4) on
Stones (5) me to fly
Love, it taught me to lie
Life, it (6) me to die
So it's not hard to fall
When you float like a cannonball
There's still a little bit of your song
In my ear
There's still a little bit of your words
