Speed Of Sound by Coldplay

How long (1)_____ I get in?
Before it starts, before I begin
How long before you decide?
Before I (2)_____ what it feels like
Where to? Where do I go?
If you've never tried (3)_____ you'll never know
How (4)_____ do I have to climb
Up on the side of this mountain of mine?
Look up, I look up at night
Planets are moving at the speed of light
Climb up, up in the trees
Every chance (5)_____ you get
Is a Chance you seize
How long am I gonna stand
With my (6)_____ (7)_____ under the sand?
I'll stop before I can stop
Or before I see things the right way up
All that noise and all that sound
All those places I got found
And birds go flying at the speed of sound
To show you how it all began
Birds came flying from the underground
If you could see it then you'd understand
Ideas that you'll never find
Or the inventors could never design

The buildings that you put up
Or Japan and China, all lit up
The sign that I couldn't read
Or a light that I couldn't see
Some things you have to believe
But others are puzzles, puzzling me
All that noise and all that sound
All those places I got found
And birds go flying at the speed of sound
To show you how it all began
Birds came flying from the underground
If you could see it then you'd understand
(Oh) when you see it then you'll understand
All those (8)_____ I (9)_____ what they meant
Some things you can't invent
Some get made and some get sent
...
Birds go flying at the speed of sound
To show you how it all began
Birds came (10)_____ from the underground
If you could see it then you'd understand
(Oh) when you see it then you'll understand
