

Alive by Bo Bruce

Fill in the gaps

Walking down the highway
Traffic's coming my way
All I see are flashing lights
People there in blue suits
Wanna know the real truth
How many did I have tonight?
Looking at the wreckage
Anyone would guess (1)_____ all inside had died
But I'm alive
Wake up in a (2)_____ bed
Angels over my head
One of them is shouting clear
Thousand bolts of lightning
Bring me back to life
And it's a miracle that I'm still here
As I'm coming to I'm screaming out for you
I need you by my side
(Oh) I'm alive...
No I didn't pray to God
No I never saw the light
No I didn't watch my life
Go flashing right before my eyes
No I didn't do the things
That they all said that I would do
I just closed my eyes and all I saw was you
All the (3)_____ in my head
Everything (4)_____ unsaid
I never got a second to say

Knew that I (5)_____ you
The moment that I saw you
Just terrified you'd (6)_____ me away
We're all (7)_____ slowly
Just want you to hold me
What are we waiting for?
We're alive...
No I didn't pray to God
No I never saw the light
No I didn't watch my life
Go flashing right before my eyes
No I didn't do the things
That they all (8)_____ that I would do
I just closed my (9)_____ and all I saw was you
If I don't die lying in the rain
And I live another day then I run to you
'Cause I don't have regrets
Just things I'd (10)_____ say out to you
No I didn't pray to God
No I never saw the light
No I didn't watch my life
Go flashing right before my eyes
No I didn't do the things
That they all said that I would do
I just closed my eyes and all I saw was you
