

## Impossible by Shontelle

### Fill in the gaps

I (1)\_\_\_\_\_ years ago  
Someone told me I should take  
Caution when it comes to love  
I did, I did  
And you were strong and I was not  
My illusion, my mistake  
I was careless, I forgot  
I did  
And now (2)\_\_\_\_\_ all is done  
There is nothing to say  
You have gone and so effortlessly  
You have won  
You can go ahead tell them  
Tell them all I know now  
Shout it from the roof top  
Write it on the sky line  
All we had is gone now  
Tell them I was happy  
And my heart is broken  
All my scars are open  
Tell them what I hoped would be  
Impossible, impossible  
Impossible, impossible  
Falling out of love is hard  
Falling for betrayal is worse  
Broken (3)\_\_\_\_\_ and broken hearts  
I know, I know  
Thinking all you need is there  
Building faith on love is worse  
Empty promises will wear  
I know, I know  
And now when all is gone  
There is nothing to say  
And if you're (4)\_\_\_\_\_ with embarrassing me  
On your own you can go ahead tell them  
Tell them all I know now

Shout it (5)\_\_\_\_\_ the roof top  
Write it on the sky line  
All we had is gone now  
Tell them I was happy  
And my heart is broken  
All my scars are open  
Tell them what I hoped would be  
Impossible, impossible  
Impossible, impossible  
Impossible, impossible  
Impossible, impossible  
(Oh) Impossible (yeah yeah)  
I remember years ago  
Someone told me I (6)\_\_\_\_\_ take  
Caution when it comes to love  
I did  
Tell (7)\_\_\_\_\_ all I know now  
Shout it from the roof top  
Write it on the sky line  
All we had is (8)\_\_\_\_\_ now  
Tell them I was happy (I was happy)  
And my heart is broken  
All my scars are open  
Tell them what I hoped would be  
Impossible, impossible  
Impossible, impossible  
Impossible, impossible  
Impossible, impossible  
I remember (9)\_\_\_\_\_ ago  
Someone (10)\_\_\_\_\_ me I should take  
Caution when it comes to love  
I did

Answer

1. remember
2. when
3. trust
4. done
5. from
6. should
7. them
8. gone
9. years
10. told
