Just a second, we're not broken, just bent

Fill in the gaps

Just Give Me A Reason by P!nk & Nate Ruess (Fun)

Right from the start	I never stopped
You were a thief, you stole my heart	You're still written in the scars, on my heart
And I, (1) willing victim	You're not broken, just bent
I let you see the parts	And we can learn to love again
Of me that weren't all that pretty	Our tear ducts and rust
And with every touch you fixed them	I'll fix it for us
Now you've been talking in your sleep	We're collecting dust but our love's enough
Things you never say to me	You're holding it in
Tell me that you've had enough	You're pouring a drink
Of our love, our love	No, nothing is as bad as it seems
Just give me a reason, just a little bit's enough	We'll come clean
Just a second, we're not broken, just bent	Just give me a reason, just a little bit's enough
And we can learn to love again	Just a second, we're not broken, just bent
It's in the stars	And we can learn to love again
It's (2) in the scars, on our	It's in the stars
hearts	It's been (6) in the scars, on our hearts
hearts We're not broken, just bent	It's been (6) in the scars, on our hearts That we're not broken, (7) bent
