

Fill in the gaps

All my (1) I've been searching for something	Closer to the prize at the end of the rope
Something never comes never leads to nothing	All night (16) I dream of the day
Nothing satisfies but I'm getting close	When it (17) around then it's taken away
Closer to the prize at the end of the rope	Leaves me with the (18) (19) I
All night long I dream of the day	(20) the most
When it comes around then it's (2) away	The feeling (21) to life when I see your ghost
Leaves me with the feeling that I feel the most	And I'm done, done
The feeling (3) to (4) when I see your	And I'm on to the next one
ghost	Done, done
Come down don't you resist	And I'm on to the next one
You have such a (5) wrist	Done, done
And if I give it a twist	And I'm on to the next one
Something to hold (6) I lose my breath	Done, done
Will I (7) something in that	And I'm on to the next one
So (8) me just what I need	Done, done
Another reason to bleed	And I'm on to the next one
One by one hidden up my sleeve	Done, done
One by one (9) up my sleeve	And I'm on to the next one
Hey don't let it go to waste	Done, done
I love it but I hate the taste	And I'm on to the (22) one
Weight keeping me down	Done, I'm done
Hey don't let it go to waste	And I'm on to the next
I love it but I (10) the taste	Done, done
Weight keeping me down	And I'm on to the next one
Will I (11) a believer	Done, I'm done
Another one who believes	And I'm on to the next one
Another one to deceive	Done, done
Over and over (12) on my knees	And I'm on to the (23) one
If I get any closer	Done, I'm done
And if you open up wide	And I'm on to the next
And if you let me inside	Hey don't let it go to waste
On and on I've got nothing to hide	I love it but I hate the taste
On and on I've got nothing to hide	Weight keeping me down
Hey don't let it go to waste	Hey don't let it go to waste
I (13) it but I hate the taste	I love it but I hate the taste
Weight keeping me down	Weight keeping me down
Hey don't let it go to waste	Done, done
I love it but I hate the taste	And on to the next one
Weight keeping me down	Done, I'm done
All my life I've been searching for something	And I'm on to the next
Something never comes never (14) to nothing	
Nothing satisfies but I'm (15) close
