

Nothing satisfies but I'm getting close

Fill in the gaps

All my (1) I've been (2)	_ for	Closer to the prize at the end of the rope	
something		All night long I dream of the day	
Something never comes never leads to nothing		When it comes around (14)	it's taken away
Nothing satisfies but I'm getting close		Leaves me with the (15)	that I feel the most
Closer to the prize at the end of the rope		The feeling comes to (16)	when I see your ghost
All night (3) I dream of the day		And I'm done, done	
When it comes (4) then it's taken away		And I'm on to the next one	
Leaves me with the feeling that I feel the most		Done, done	
The feeling comes to life when I see your ghost		And I'm on to the next one	
Come (5) don't you resist		Done, done	
You have such a delicate wrist		And I'm on to the next one	
And if I give it a twist		Done, done	
Something to hold (6) I lose my breath		And I'm on to the next one	
Will I find something in that		Done, done	
So give me (7) what I need		And I'm on to the next one	
Another reason to bleed		Done, done	
One by one hidden up my sleeve		And I'm on to the next one	
One by one hidden up my sleeve		Done, done	
Hey don't let it go to waste		And I'm on to the (17)	one
I love it but I hate the taste		Done, I'm done	
Weight (8) me down		And I'm on to the next	
Hey don't let it go to waste		Done, done	
I love it but I hate the taste		And I'm on to the next one	
Weight keeping me down		Done, I'm done	
Will I (9) a believer		And I'm on to the (18)	one
Another one who believes		Done, done	
Another one to deceive		And I'm on to the next one	
Over and (10) down on my knees		Done, I'm done	
If I get any closer		And I'm on to the next	
And if you open up wide		Hey don't let it go to waste	
And if you let me inside		I (19) it but I hate the	taste
On and on I've got nothing to hide		Weight keeping me down	
On and on I've got (11) to hide		Hey don't let it go to waste	
Hey don't let it go to waste		I (20) it but I hate the taste	
I love it but I hate the taste		Weight keeping me down	
Weight keeping me down		Done, done	
Hey don't let it go to waste		And on to the next one	
I (12) it but I hate the taste		Done, I'm done	
Weight keeping me down		And I'm on to the next
