93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, into our eyes
Oh, my, my, how beautiful
Oh, my beautiful mother
She told me, son, in (1)_____ you're gonna go far
If you do it right, you'll love where you are
Just know, wherever you go
You can always come home...
240 thousand miles from the moon
We've come a long way to belong here
To share this view of the night
A glorious night
Over the (2)_____ is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He (3)_____ me, son, sometimes it may seem dark
But the absence of the (4)_____ is a necessary part
Just know, you're never alone
You can (5)_____ come back home...
Home

Home
You can always (6)_____ back
Every road is a slippery slope
But there is (7)_____ a hand that you can hold on to
Looking (8)_____ through the telescope
You can see that your home's inside of you
Just know
That wherever you go
No, you're never alone
You will always get back home....
...
Home
Home
