

So many nights trying to hide it But now I stay awake just pleading for more To think this heart was divided I'm losing sleep cause I can't ignore Feeling your touch all around And peacefully hearing the sound Of silence around us I'm so (1)\_\_\_\_\_ we found us this way Find me, here in your arms Now I'm wondering where you've always been And blindly, I came to you Knowing you'd breathe new life from within I can't get enough of you I wanna be where you are In times of need I just want you to stay I (2)\_\_\_\_\_ a note on (3)\_\_\_\_ car When I can't find the (4)\_\_\_\_\_ words to say Hearing your (5)\_\_\_\_\_ all around The last place we're going is down I'll blindly follow knowing you're leading the way Yeah Find me, here in your arms

Now I'm wondering where you've always been
And blindly, I came to you
Knowing you'd breathe new (6) from within
With you in time
There's nothing else
My life (7) still
You are the will that makes me strong
Make me strong
If ever alone in (8) world I know I'll always
Find me, here in (9) arms
Now I'm wondering where you've always been
Blindly, I (10) to you
Knowing you'd breathe new life from within
You sleep, here in my arms
Where the world just shuts down for a while
Blindly, you came to me
