Wild Child by Enya

Ever close your eyes

Ever (1)_____ and listen

Ever feel alive

And you've nothing missing

You don't (2)_____ a reason

Let the day go on and on

Let the (3)_____ fall down

Everywhere around you

Give into it now

Let the day surround you

You don't (4)_____ a reason

Let the rain go on and on

What a day, what a day to (5)_____ to

What a way, (6)_____ a way to make it through

What a day, what a day to take to a wild child

Only take the time

From the (7)_____ skelter

Every day you find

Everything's in kilter

You don't need a reason

Let the day go on and on

Every (8)_____ sun

Every winter evening

Every spring to come

Every autumn leaving

You don't need a reason

Let it all go on and on

What a day, what a day to take to

What a way, what a way to make it through

What a day, what a day to take to a wild child

What a day, what a day to take to

What a way, what a way to (9)_____ it through

What a day, what a day to take to a (10)_____ child

What a day, what a day to take to

What a way, what a way to make it through

What a day, what a day to take to

...

What a way, what a way to make it through

What a day, what a day to take to a wild child

What a day, what a day to take to a wild child
