

## Fill in the gaps

Under the arc of a weather stain boards
Ancient goblins and warlords
Come out of the ground, not making a sound
The smell of (1) is all around
And the night when the cold wind blows
No one cares, nobody knows
I don't want to be (2) in a pet sematary
I don't want to live my life again
I don't want to be buried in a pet sematary
I don't want to live my life again
Follow Victor to the (3) place
This ain't a dream, I can't escape
Molars and fangs, the clicking of bones
Spirits moaning among the tombstones
And the night, when the moon is bright
Someone cries, something ain't right
I don't want to be buried in a pet sematary
I don't want to live my life again
I don't (4) to be buried in a pet sematary

The moon is full, the air is still  All of a sudden I feel a chill  Victor is grinning, flesh rotting away  Skeletons dance, I curse this day  And the night when the wolves cry out  Listen close and you can hear me shout  I don't want to be buried in a pet sematary  I don't want to live my life again  I don't want to be (6)	I don't (5) to live my life again
