21st Century Breakdown by Green Day

Born into Nixon I was raised in hell
A welfare child where the teamsters dwelled
The last one born, and the first one to run
My town was blind from refinery sun
My generation is zero

I never made it as a working class hero
21st century breakdown

I once was lost but never was found
I think I am losing what's left of my mind
To the 20th century deadline...

I was made of (1)_____ and blood
Condemnation is (2)_____ I understood
Videogames to the tower's fall

Homeland security could kill us all
My generation is zero

I never (3)_____ it as a (4)_____
(5)_____ hero

21st century breakdown

I once was lost but never was found

I think I am losing what's left of my mind

To the 20th (6)_____ deadline...

We are the class of, the class of '13

Born in the era of humility

We are the desperate in the decline

Raised by the bastards of 1969...

My name is no one

The long lost son

Born on the 4th of July

Raised in an era of heroes and cons

That (7)_____ me for dead or alive

I am a nation

A worker of pride

My debt to the status quo

The scars on my hands

And the means to an end

Is all that I have to show

...

I swallowed my pride

And I choked on my faith

I've given my heart and my soul

I've broken my fingers

And lied through my teeth

The pillar of damage control

I've been to the edge

And I've thrown the bouquet

Of flowers left (8)_____ the grave

I sat in the waiting room

Wasting my time

And waiting for Judgement Day...

I praise liberty

The "Freedom to Obey"

Is the (9)_____ that strangles me

Well, don't cross the line

(Oh) dream, America dream

I can't even sleep

From the light's early dawn

(Oh) scream, America scream

Believe what you see

From heroes and cons
