

Society by Eddie Vedder

Fill in the gaps

(Oh) It's a mystery to me
We have a greed with which we have agreed
And you think you have to want (1)_____ than you need
Until you have it all you won't be free
Society, you're a crazy breed
I hope you're not (2)_____ without me...
When you want more than you have
You (3)_____ you need...
And when you think more than you want
Your thoughts begin to bleed
I (4)_____ I need to find a bigger place
Because when you have more than you think
You need more space
Society, you're a crazy breed
I (5)_____ you're not lonely without me...
Society, crazy indeed

I hope you're not lonely without me...
There's (6)_____ thinking, more-or-less, less is more
But if (7)_____ is more, how you keeping score?
Means for every point you make, your level drops
Kinda like you're starting from the top
You can't do that...
Society, you're a crazy breed
I hope you're not lonely without me...
Society, crazy indeed
I hope you're not (8)_____ without me...
Society, have mercy on me
I hope you're not angry if I disagree...
Society, crazy indeed
I hope you're not (9)_____ without me...
