Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly how you feel

It doesn't matter (1)_____ you say

I see the sun begin to set

And we gotta, gotta get away

I gotta patch of open road

I already miss you with all of my soul

So before we both get old

I think we gotta, gotta get away

I keep wishing for all the tickets

Stack 'em on my wall

Let's rip them down

And leave the town before the cops can call

And bring us back

Cover our tracks in the dust

I (2)_____ we must

Take on the world

Let's go crazy

Love will tell us where to go

I'll be your girl, be my baby

Love (3)_____ tell us where to go

(Oh oh oh) through a dark night

(Oh oh oh) without a sunrise

(Oh oh oh) and we will be alright

Love will tell us where to go

Love will tell us where to go

Love will tell us where to go

The wheels on this train keep turning

We're flying with the birds and

The worlds so bright it hurts when

We're on the getaway

I'm the Bonnie to your Clyde

You're the mood and I'm the tide, I

I (4)_____ this for all of my life

Since the night (5)_____ we got away

I keep wishing for all the tickets

Stack 'em on my wall

Let's rip them down

And leave the town before the cops can call

And bring us back

Cover our tracks in the dust

I think we must

Take on the world

Let's go crazy

Love (6)_____ tell us where to go

I'll be your girl, be my baby

Love will tell us where to go

(Oh oh oh) through a dark night

(Oh oh oh) without a sunrise

(Oh oh oh) and we will be alright

Love will tell us where to go

Love will tell us (7)_____ to go

Love will tell us where to go

When things get rough

When we have loved

We've got enough to tell us (8)_____ to go

When we get lost

When love is all (oh) that we got

To tell us where to go

Then we're alright

We'll be alright

Tell us where to go

Then we're alright

We'll be alright

Love (9)_____ tell us where to go

Take on the world, let's go crazy

Love will tell us where to go

I'll be your girl, be my baby

Love will (10)_____ us where to go

(Oh oh oh) through a dark night

(Oh oh oh) without a sunrise

(And we will be alright)

Love will tell us where to go

...
