

Trouble by Leona Lewis

Fill in the gaps

You drink more than you used to
Fell in love, how could you
Trust your (1)_____ like only fools do
Go on, let it bleed
You smoked ten, now it's twenty
Bet you wish you never met me
To stick around, you must be crazy
Go on, let it bleed
I told you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I (2)_____ you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
You shout louder (3)_____ you used to
And you hold on tighter in the bedroom
Stick around like (4)_____ change soon
Go on, let it bleed
As you stand there trying to save me
Use (5)_____ head and, babe, (6)_____ me

Gonna (7)_____ much more than a heart to save me
Go on, let it bleed
I (8)_____ you (9)_____ to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
Run away now, turn your back on me
You'll be praying for the strength to leave
I told you never to get used to me
I (10)_____ awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
