

Trouble by Leona Lewis

You drink more than you used to
Fell in love, how (1)_____ you
Trust your heart like only fools do
Go on, let it bleed
You smoked ten, now it's twenty
Bet you (2)_____ you never met me
To stick around, you must be crazy
Go on, let it bleed
I told you never to get used to me
I still awake when you fall asleep
I'm a (3)_____ lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
You shout louder (4)_____ you used to
And you hold on tighter in the bedroom
Stick around like imma change soon
Go on, let it bleed
As you (5)_____ there trying to save me
Use your head and, babe, believe me

Fill in the gaps

Gonna take much more than a heart to save me
Go on, let it bleed
I told you never to get used to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I told you you should never follow me
But here we are, and you're (6)_____ deep
I'm a whole lot of trouble
We're in a whole lot of trouble
Run away now, turn your (7)_____ on me
You'll be praying for the strength to leave
I told you never to get (8)_____ to me
I still awake when you fall asleep
I'm a whole lot of trouble
We're in a whole lot of trouble
I (9)_____ you you (10)_____ never follow me
But here we are, and you're into deep
I'm a whole lot of trouble
We're in a whole lot of trouble
