The World Moves On (Studio) by Jens Lekman

(And this song is called)		
(The world moves on)		
The thermometer ran out of numbers		
When it reached 50 degrees		
l just lay down on the floor		
With a bag of frozen peas		
We saw plumes of smoke rising		
In the distance from our balcony		
I poured a glass of wine		
Sucked the juice out of a kiwi		
Catherine turned on the TV		
They showed (1) after acres		
Of absolutely nothing		
And then Stevie called and said		
Are you watching what I'm watching?		
I said I'm watching (2) you're watching		
But what is it I'm watching?		
The night before I had been bored		
And my legs had been restless		
It was my birthday		
I'd already opened up my presents		
At the social club, I met (3) friends		
Who were friends (4) this girl		
One by one (5) dropped off		
Till it was just me and her		
We made out in (6) bar in town		
While the state of Victoria		
Burned down to the ground		
And the sun rose over the city		

The wind swept through the valley

And you don't get over a broken heart		
You just (7) to carry it gracefully		
The Edinburgh Gardens offered		
Some kind of shade		
I would pick up some beers		
And head down (8) late		
Watch the possums and listen		
To their Growling banter		
There was one I liked especially		
I named her Sam as in Samantha		
I offered a slice of apple from my hand		
She would sniff it, frown		
And then lumber back to the trash can		
I was going uphill on my (9) Star		
I was going uphill on my (9) Star When I was passed by a scooter		
When I was passed by a scooter		
When I was passed by a scooter You got a (10) or a cigarette?		
When I was passed by a scooter You got a (10) or a cigarette? Hey, I'm talking to you, poofter		
When I was passed by a scooter You got a (10) or a cigarette? Hey, I'm talking to you, poofter What I should have said was nothing		
When I was passed by a scooter You got a (10) or a cigarette? Hey, I'm talking to you, poofter What I should have said was nothing What I (11) was "get lost"		
When I was passed by a scooter You got a (10) or a cigarette? Hey, I'm talking to you, poofter What I should have said was nothing What I (11) was "get lost" Next time I'm upside-down with my bike in the dust		
When I was passed by a scooter You got a (10) or a cigarette? Hey, I'm talking to you, poofter What I should have said was nothing What I (11) was "get lost" Next time I'm upside-down with my bike in the dust Spitting dirt all the way home		
When I was passed by a scooter You got a (10) or a cigarette? Hey, I'm talking to you, poofter What I should have said was nothing What I (11) was "get lost" Next time I'm upside-down with my bike in the dust Spitting dirt all the way home Cursing the very ground that I was chewing on		
When I was passed by a scooter You got a (10) or a cigarette? Hey, I'm talking to you, poofter What I should have said was nothing What I (11) was "get lost" Next time I'm upside-down with my bike in the dust Spitting dirt all the way home Cursing the very ground that I was chewing on And the sun rose (12) the city

The world just shrugs its shoulders

And gets going		
It just moves on in all its sadness and glory		
Over dinner with a friend		
I tell her my story		
And as I (13) put the book		
Back on the shelf		
She says		
Maybe it's time you take a look at yourself		
No one's born an ******		
It (14) a lot of hard work		
But God knows I've (15) my ass off		
To be a jerk		
So many hands I've held		
While (16) why I (17) nothing		
And why, when I let go of (18) hand		
I (19) start to feel something		
And like a bottle smashed against my head		
She'd say		
I (20) you just would've (21) on me instead		
And loving without loving		
Is always the (22) crime		
I know all the signs and signals		
'Cause now I've been on (23) sides		
The way you (24) (25) words		
The limpness of your hand		
I almost died when you introduced me as a friend		
How can you call me a friend?		
If you don't love me		
Then please (26) the dignity to tell me		

But I never said any of that

I just shook that hand

The sun (27) over t	he city	
The (28) swept thro	ough the valley	
And you don't get over a broken heart		
You just learn to (29)	it gracefully
