Auto Tune by Jason Chen & Bubzbeauty

...
I was young lost stupid
Didn't know (1)_____ I was doing wrong
Just eat (2)_____ feeling free
Then I'd party all night long
But I would never get too worried
About the little things in life
I knew I won the lottery
'Cause baby can't you see
Just thinking (3)_____ you as I sing this song
'Cause when you're (4)_____ I can do no wrong
And I'm (5)_____ too sharp, never flat
Girl imagine that
You always know how to bring me right back
When my (6)_____ is off
You make it all (7)_____ when its all so wrong
You're my auto tune, you can be my auto tune
...
Now I've found my way girl ever since you came along
As I listen to the radio, bumping to our catchy song
You mean more than a Grammy
And all the money in the world
Every time that I get off key girl
Continue to save me
Just thinking about you as I (8)_____ (9)_____ song
'Cause when you're (10)_____ I can do no wrong
And I'm never too sharp, never flat
Girl (11)_____ that

You always know how to bring me right back
When my pitch is off
You make it all right (12)_____ its all so wrong
You're my auto tune, you can be my auto tune
...
Be my auto tune
...
Baby be my auto tune
...
Just thinking about you as I (13)_____ (14)_____

'Cause (15)_____ you're around I can do no wrong
